(through July 8, 2005)

Completed Visits	Not Home	Reschedule/Referral	Total Visits
692	1267	180	2139

Biomonitoring Outreach

-Martha has developed an outreach matrix, which details all activities, tasks, subtasks, and individuals that are responsible for each task.

-Outreach Tasks include: flyer distribution, phone calls to families with children under 6 years of age, posters distribution, information and biomonitoring schedule given at all home visits, distribution of material at community events, churches, daycares and other gathering places in the target area.

Small Grants Process

-Small grants applications and announcement posters are available at the community office located at: 2980 Curtis Street or by contacting Jay Salas at 720-641-2077.
